Second Harvest Food Drive

The annual Second Harvest Food Drive is right around the corner! Each year our district collects thousands of pounds of food to donate to our local food pantry. This year our school will again be collecting soups and crackers, but any canned food item or monetary donation will be appreciated. Best part about it? The homeroom that makes the highest donation will receive a parfait party!

Collections will be held February 4th-14th.

Read Across America

Calling all 7th graders!! Remember when those big kids from the middle school came and read to you on Read Across America Day way back when you were in elementary school? Well guess what, now it is your chance to go to the elementary schools for Read Across America Day! All you have to do is get an application from Mrs. Bergstein in room A145. All applications will be collected in order, and the first 120 students to submit theirs will go on March 1st!

Computer Fair

The Middle School Computer Fair is on with a brand-new name! Computer Fair is now known as the PA Media and Design Competition. If you're into moviemaking, graphic design, app design, animation, and more, this is the thing for you! There's still plenty of time to make a project! Projects are due February 22nd. Check out bit.ly/computerfair for more information or see Mr Mahmood in room A159. He'll probably just tell you to go to the website so save yourself a trip and just go to the website.
